BuildForce E-Learning
Welcome to the **BuildForce E-Learning Centre.**
BuildForce Canada is a national organization committed to the development of a highly skilled construction workforce. One of our ongoing programs is the development of online courses.
All of our online courses are administered through local distributors. In order to access any of our courses and complete your registration, you must contact a distributor to receive a course PIN number. To locate a distributor go to the [Find a Distributor](#) page for the full list of our distributor partners.
Once you have a course PIN number, select the **"Click to Register or Enroll"** button on the Learners tile at the right.

STEP 3: *Click >> Enter.*

The screenshot shows the BuildForce Canada website interface. At the top left is the BuildForce Canada logo. To the right are navigation buttons: "Courses", "Find a Distributor", "Catalogue", "Help", and "Contact Us". A language dropdown menu is set to "English". The main content area is divided into two columns. The left column, titled "Overview", contains text describing the course's purpose for pipeline workers and a link to download a fact sheet. Below this is a photograph of a pipeline construction site. The right column, titled "Your Progress", shows an "Active" status and a button labeled "CLICK HERE" with a red arrow pointing to an "Enter" button. A "Transcript" button is also visible.

STEP 4: *Click >> Launch.*

The screenshot displays the course launch screen. On the left, there is a video player with the title "Pipeline Construction Safety Training" and the BuildForce Canada logo. Below the video is a "Please Note" section with a disclaimer. On the right, there is a video titled "Important Instructions" with the subtitle "HOW TO SAVE YOUR WORK". Below the videos is a "Launch" button. A red arrow labeled "CLICK HERE" points to the "Launch" button. The text "Click on the Launch button to continue." is positioned above the button.
