

COURSE REGISTRATION INSTRUCTIONS

STEP 1: Go to the BuildForce E-Learning Home Page (<https://elearning.buildforce.ca/>) and click >> **Click to Register or Enroll**.

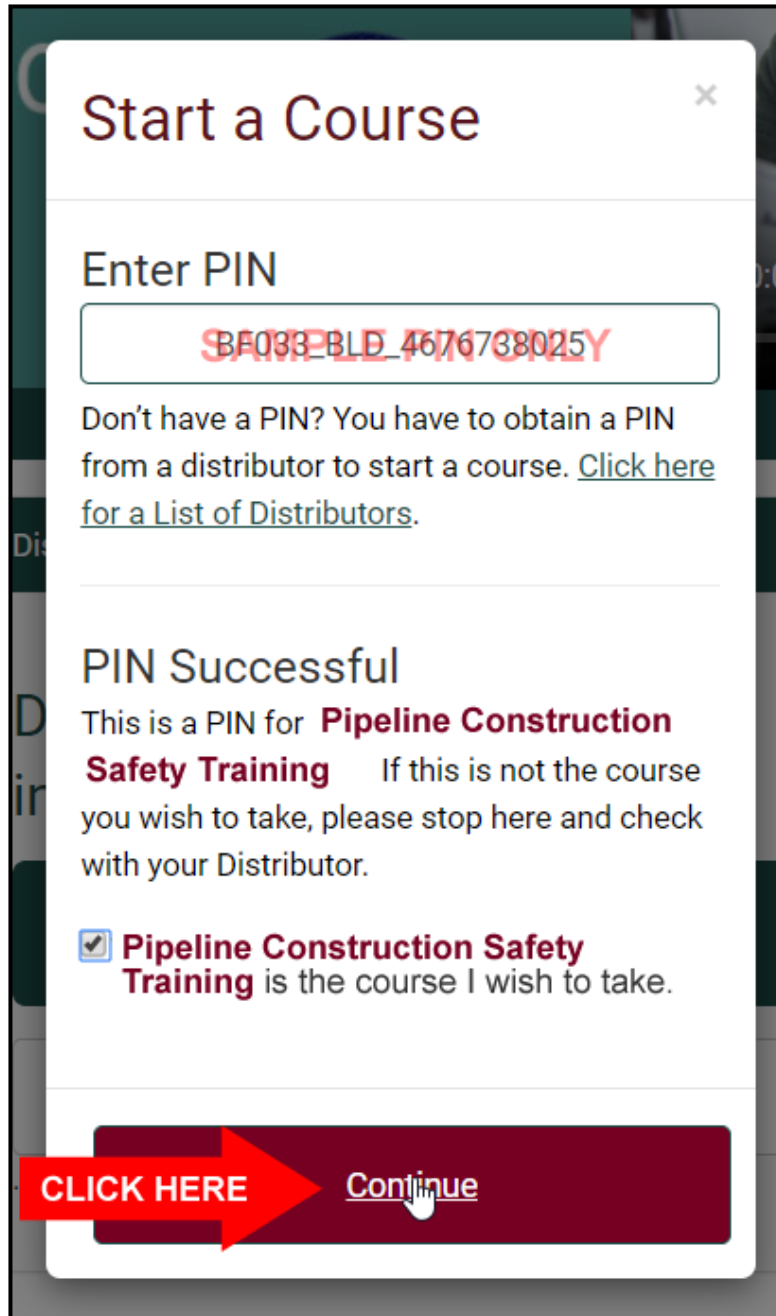

STEP 2: Enter your course PIN and *click >> Check PIN*.

COURSE REGISTRATION INSTRUCTIONS

STEP 3: Verify the course title and *click >> Continue*.

The screenshot shows a 'Start a Course' dialog box with a close button (X) in the top right corner. Below the title is a section for 'Enter PIN' with a text input field containing the PIN 'BF033_BLD_4676738025'. A red watermark 'SAMPLE PIN ONLY' is overlaid on the PIN. Below the input field is a paragraph: 'Don't have a PIN? You have to obtain a PIN from a distributor to start a course. [Click here for a List of Distributors.](#)'

Below this is a section titled 'PIN Successful'. The text reads: 'This is a PIN for **Pipeline Construction Safety Training**. If this is not the course you wish to take, please stop here and check with your Distributor.'

At the bottom of this section is a checked checkbox next to the text: '**Pipeline Construction Safety Training** is the course I wish to take.'

At the bottom of the dialog box is a dark red button with a white arrow pointing right. The text 'CLICK HERE' is written in white on the arrow, and the word 'Continue' is written in white to the right of the arrow. A mouse cursor is hovering over the 'Continue' text.

BuildForce E-Learning
Welcome to the BuildForce E-Learning Centre.
BuildForce Canada is a national organization committed to the development of a highly skilled construction workforce. One of our ongoing programs is the development of online courses.
All of our online courses are administered through local distributors. In order to access any of our courses and complete your registration, you must contact a distributor to receive a course PIN number. To locate a distributor go to the [Find a Distributor](#) page for the full list of our distributor partners.
Once you have a course PIN number, select the "Click to Register or Enroll" button on the Learners tile at the right.

STEP 3: *Click >> Enter.*

The screenshot shows the BuildForce Canada website interface. At the top left is the BuildForce Canada logo. To the right of the logo are navigation buttons: "Courses", "Find a Distributor", "Catalogue", "Help", and "Contact Us". In the top right corner, there is a language dropdown menu set to "English" and a settings gear icon. The main content area is divided into two columns. The left column has a dark green header "Overview" and contains text describing the course's purpose for pipeline workers. Below the text is a link "Click here" and a photograph of a pipeline construction site. The right column has a dark green header "Your Progress" with an "Active" status indicator. Below this header are three buttons: "CLICK HERE" (with a red arrow pointing to it), "Enter", and "Transcript". At the bottom of the left column, there is a section titled "Credits/Certificates" with a note about the 100% completion requirement.

STEP 4: *Click >> Launch.*

The screenshot shows a video player interface for the "Pipeline Construction Safety Training" course. The video player has a white background with the BuildForce Canada logo at the top left. The video title "Pipeline Construction Safety Training" is displayed in a large font. Below the title is a photograph of a pipeline construction site. A "Please Note" section contains a disclaimer about the course's development and legal requirements. To the right of the video player is a red header "Important Instructions" with text about saving work. Below this is a large orange and green graphic with the text "HOW TO SAVE YOUR WORK". At the bottom of the video player is a play button, a progress bar showing "03:15", and the BuildForce Canada logo. Below the video player, there is a text instruction "Click on the Launch button to continue." and two buttons: "CLICK HERE" (with a red arrow pointing to it) and "Launch".
